Results Matter

A successful United Way campaign empowers our community to achieve amazing results. By educating and nurturing the youth in our neighborhoods, we can help them develop positive skills that will lead them towards successful futures. By counseling and guiding the unemployed, we can help them secure permanent jobs in order to gain true financial stability and independence. By providing services to those in need of medical treatment, we can help them maintain their health and well-being. By working together, we are able to accomplish far more than we can alone.

Please increase your corporate pledge in 2007.

Thank you for your time and consideration

This is your United Way, and your opinion matters. To share your thoughts or concerns, please contact Marc Levy, President and CEO, at (937) 225-3014 or marcl@dayton-UnitedWay.org.
