

**Last year
in your own backyard**

6,065

**families lost
their homes
to foreclosure.**

**It doesn't take
a tsunami...**

to create suffering and needs.

Right here in Montgomery, Greene and Preble Counties, there are too many working families struggling to make ends meet. They are invisible until their address appears in the sheriff's sale. Please help before it is too late. Make a difference. Make a donation. Your gift matters.
